# Project CARDIGAN: An SDN Controlled Exchange Fabric
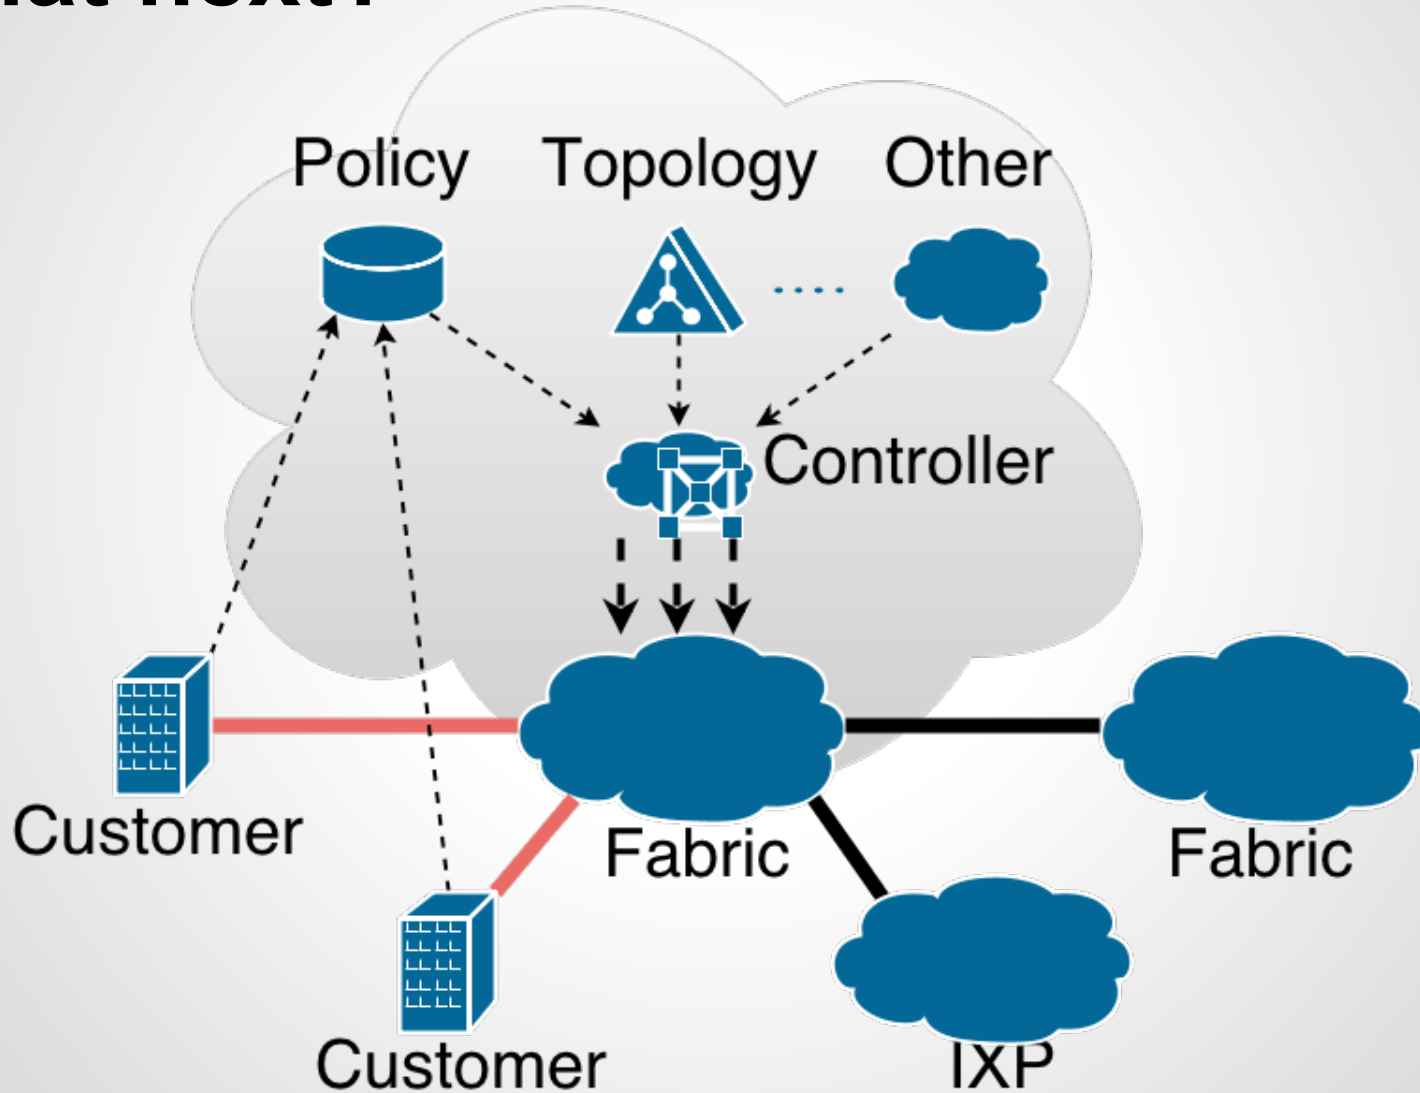

Joe Stringer

Cardigan

- Build experience with SDN

- Rethink IX architecture

- An IX is just somewhere you:
  - Advertise packets you accept
  - Send packets that you want to get rid of

Deployment

What next?

Thank you!

- Victoria University of Wellington
- Waikato University
- Citylink NZ
- REANNZ
- Chris Lorier
- Dean Pemberton
- Dylan Hall
- Pica8
- CPqD
- Quagga
