JANOG committee

# JANOG

- Founded 1997, and still run by volunteers and donations
- 7200 mailing list members
- Meetings
  - Held twice a year, usually January and July
  - 3 days of plenary sessions
  - 1500+ attendees
- Discussions are in Japanese
  - Foreign languages are acceptable but casual translation is recommended

# Code of Conduct

- The value of JANOG is supported by the knowledge, interest, and frank exchange of opinions of a wide range of participants. This view is common in all JANOG activities, including mailing lists, meetings and working groups.
- We should be considerate and respectful of each other, recognizing that each participant may have a different background, situation, and opinion.
- Harassment, slander, and anti-social behavior of any kind are not acceptable. The JANOG Committee may take necessary actions, including removal from the venue or membership, in response to any conduct or behavior that violates this Code of Conduct.
- Let's enjoy, overcome challenges, and create a fulfilling community together.
